Upon the optional redemption of any of the Notes subject to mandatory redemption, the principal amount of such Notes so redeemed shall be credited against the

mandatory redemption payments established in the Approving Certificate in such manner as the Village shall direct.

<u>Section 4. Form of the Notes</u>. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as <u>Exhibit B</u> and incorporated herein by this reference.

Section 5. Tax Provisions.

- (A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the Village are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the Village a direct annual irrepealable tax in the years 2025 through 2034 for the payments due in the years 2026 through 2035 in the amounts as are sufficient to meet the principal and interest payments when due.
- (B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the Village shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the Village and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the Village for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.
- (C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the Village then available, which sums shall be replaced upon the collection of the taxes herein levied.
- (D) Appropriation. To the extent necessary, if any, the Village hereby appropriates from taxes levied in anticipation of the issuance of the Notes, proceeds of the Notes or other funds of the Village on hand a sum sufficient to be irrevocably deposited in the segregated Debt Service Fund Account created below and used to pay interest on the Notes coming due in 2025, if any, as may be set forth in an attachment to the Approving Certificate labeled as Schedule III.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There shall be and there hereby is established in the treasury of the Village, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Notes - 2025" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the Village at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the Village above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the Village, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the Village, unless the Village Board directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the Village and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the Village, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The Village represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The Village further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The Village further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Village Clerk or other officer of the Village charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Village also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the Village will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

<u>Section 10. Designation as Qualified Tax-Exempt Obligations</u>. The Notes are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the Village by the manual or facsimile signatures of the President and Village Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the Village of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the Village has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and

directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The Village hereby authorizes the officers and agents of the Village to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 12. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by Associated Trust Company, National Association, Green Bay, Wisconsin, which is hereby appointed as the Village's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Village hereby authorizes the President and Village Clerk or other appropriate officers of the Village to enter into a Fiscal Agency Agreement between the Village and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Notes.

Section 13. Persons Treated as Owners; Transfer of Notes. The Village shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 14. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the Village at the close of business on the Record Date.

Section 15. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the Village Clerk or other authorized representative of the Village is authorized and directed to execute and deliver to DTC on behalf

of the Village to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the Village Clerk's office.

Section 16. Condition on Issuance and Sale of the Notes. The issuance of the Notes and the sale of the Notes to the Purchaser are subject to approval by an Authorized Officer of the principal amount, definitive maturities, redemption provisions, interest rates and purchase price for the Notes, which approval shall be evidenced by execution by the Authorized Officer of the Approving Certificate.

The Notes shall not be issued, sold or delivered until this condition is satisfied. Upon satisfaction of this condition, the Authorized Officer is authorized to execute a Proposal with the Purchaser providing for the sale of the Notes to the Purchaser.

Section 17. Official Statement. The Village Board hereby directs the Authorized Officer to approve the Preliminary Official Statement with respect to the Notes and deem the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Authorized Officer or other officers of the Village in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate Village official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The Village Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 18. Undertaking to Provide Continuing Disclosure. The Village hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the Village to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the President and Village Clerk, or other officer of the Village charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the Village's Undertaking.

<u>Section 19. Record Book</u>. The Village Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 20. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the Village are authorized to take all actions necessary to obtain such municipal bond insurance. The President and Village Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the President and Village Clerk including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 21. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Village Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted, approved and recorded November 18, 2024.

EXPLANATION:

I have reviewed and analyzed the recently completed Village of Kimberly Strategic Plan and propose a modification to the Village's current office hours, which are M-Thurs 8am - 4pm, F 8am - 3pm. I propose M-Thurs 8am - 4pm, F 8am - 12noon. This modification will enhance operational efficiency and staff well-being in line with our strategic plan.

Within the Executive Summary of the 2023-2028 Strategic Plan document, Village-wide core areas related to "Hiring and Turnover Woes & Private Sector Competition for Recruitment" and "Staff Burnout," goals related to providing staff focus time each day for detailed work without interruptions by phone or walk-in traffic, staying competitive with other municipalities and offering creative incentive and benefits that are employee-centric and set Kimberly apart as an employer of choice.

As we strive to foster a productive work environment, it has become evident that adjusting our office hours could significantly benefit our staff's flexibility, allowing for quiet focused work time and dedicated hours for all-staff or individual training, all while ensuring that our office remains open to the public. This focused time would be designated during off-peak hours for customer service interactions (Friday afternoons).

The afternoon hours on Fridays would allow staff designated quiet hours, focused project time for research and production, scheduled training sessions (either all staff or individual sessions), department all-staff meetings and weekly check-ins.

While the doors and phones would be closed during the hours of 12noon to 3pm on Fridays, the following services would remain available to the public to complete tasks:

- 24/7 secure drop box;
- Online payment processing for utility billing;

- Licenses and fillable forms available on the village's website;
- Flexible building inspection services and office hours;
- Access to village staff for Q & A through social media messaging and comments;
- Online recdesk and calendar availability;
- Voice messages;
- 24/7 customer email box; and
- On-call service numbers in the event of an immediate need.

Currently other (non-administrative) departments offer flexibility in scheduling, including the Public Works/Parks Departments offering a 4-10 hour day schedule during the months with longer hours of daylight and warmer temperatures.

Below is a comparison of neighboring communities office hours and their corresponding populations.

This change is not only in line with our strategic goals of improving employee engagement, performance, retention and satisfaction but also demonstrates our commitment to a supportive workplace culture. This modification would be directly in line with the desired outcomes of the strategic plan. I believe that by adopting this approach, we can continue our level of service delivery while promoting an employee-centric environment. I appreciate your consideration.

RECOMMENDED ACTION: Approval of the modification of office hours for both the Clerk's Office and Street & Parks Office to Monday – Thursday 8am – 4pm and Fridays 8am – 12noon, Saturday & Sunday Closed. Effective February 1, 2025.
